Why protect your identity with Universal Identity Services?

 **Your answers do not match public records.**

To ensure and protect your digital identity and to receive your **SAFE BioPharma Certificate**, you must complete the Verification form in the presence of a Notary Public.

[Download Notary Form](#)

Instructions and Fax number will be located in the form.

[Skip for now](#)

It gets a reminder email

powered by 

Lexis Nexis ID verification failure.

Why protect your identity with Universal Identity Services?

The user then proceeds with **Creating their Password** and **Cloud Key Path Verification**.

Congratulations!

Your Universal ID was successfully created.

Read and sign the subscriber agreement below to receive your SAFE BioPharma Certificate.

SAFE BioPharma Certificate Subscriber Agreement

1. This SAFE BioPharma Certificate Subscriber Agreement (the "Agreement") is a binding contract between Verizon and SAFE BioPharma, Inc. (SAFE BioPharma), and your subscriber (you) in the US. See all details on signing for a digital identity, in Verizon's digital ecosystem and associated services ("Services"), from SAFE BioPharma that will enable you to use and use digital healthcare products from SAFE BioPharma and associated third-party vendors, or affiliates of any services, health or healthcare products including any digital products, when the terms of the SAFE BioPharma SAFE BioPharma Certificate Subscriber Agreement are accepted.

2. The Subscriber agrees under this Agreement, and hereby agrees to use the SAFE BioPharma system to receive SAFE BioPharma Digital Standards, Terms and conditions for this Agreement are available with the following link: [Link]
