Why protect your identity with Universal Identity Services?

We're unable to verify your health provider license information.

To receive your **SAFE BioPharma Certificate**, you must provide a valid health provider license and DEA license.

Edit provider info

Skip for now

Healthcare Provider Information verification error.

PLAY DEMO ▶

Why protect your identity with Universal Identity Services?

 We need to verify your identity to set up your account and issue your SAFE BioPharma

Question 1 of 5:

Which of the following Streets have you not Previously or Currently used as your address?

- POND STREET
 - GRAHAM BELL CIRCLE
 - WASHINGTON BOULEVARD
 - HIGHLAND AVENUE
 - NONE OF THE ABOVE
- 2 of 5 >

2 minutes left out of 2

PLAY DEMO 

Why protect your identity with Universal Identity Services?

Your answers do not match public records.

To ensure and protect your digital identity and to receive your **SAFE BioPharma Certificate**, you must complete the Verification form in the presence of a Notary Public.

[Download Notary Form](#)

Instructions and Fax number will be located in the form.

[Skip for now](#)

I'll get a reminder email

Lexis Nexis ID verification failure.

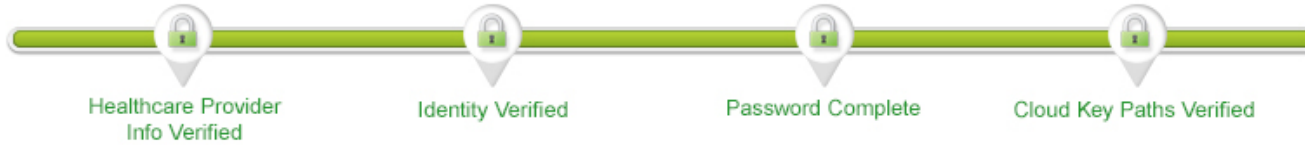

PLAY DEMO ▶

Why protect your identity with Universal Identity Services?

The user then proceeds with **Creating their Password** and **Cloud Key Path Verification**.

Congratulations!

Your Universal ID was successfully created.

Read and sign the subscriber agreement below to receive your SAFE BioPharma Certificate.

SAFE BioPharma End-User Subscriber Agreement

I. This SAFE-BioPharma End-User Subscriber Agreement (the "Agreement") is a binding contractual agreement between me and SAFE-BioPharma, Association ("SAFE-BioPharma"), nonprofit Association chartered in the US State of Delaware. I am applying for a digital identity, in the form of a digital credential and associated hardware ("Credential"), from SAFE-BioPharma that will enable me to create and use Digital Signatures in electronic form. I agree not to challenge the legal effect, validity, or enforceability of any electronic record or electronic signature (including any Digital Signature), within the context of the SAFE-BioPharma system, on the grounds that it is in digital rather than paper form.

II. The Credentials provided under this Agreement are issued within the SAFE-BioPharma system to facilitate SAFE-BioPharma Digital Signatures. Terms and words used in this Agreement are consistent with the meanings

 Verizon UIS Certificate Provisioning
to me ▾

2:20 PM (19 hours ago) ☆  ▾

A reminder to provide your Healthcare License Information to receive your SAFE Bio-Pharma Certificate.

You opted to temporarily skip the certification process to get your SAFE Bio-Pharma Certificate. However, this certificate will be needed in the course of your work, so it's important to complete this certification process.

When you are ready to supply your state and DEA license information, [complete the process here](#) (or log-in to your Profile Manager at any time).
